Ruth Nicholson
Research Governance Manager

Dr Carl Reynolds
National Heart and Lung Institute
Room 39, Emmanuel Kaye Building
1b Manresa Road, London
SW3 6LR

15/10/2019

Dear Dr Reynolds

RE: Acceptance of End of Study Notification

Project Title: Idiopathic Pulmonary Fibrosis Abestos Exposure Study (IPF-AES)

Joint Research Compliance Office Reference number: 16SM3627

Ethics reference number: 17/EM/0021 Principal Investigator: Dr Carl Reynolds

This is to confirm that the Joint Research Compliance Office has been informed that the above named study has closed at Imperial College Healthcare NHS Trust.

The Joint Research Compliance Office will update their records accordingly and amend any existing files and study information stored on the JRCO Database.

Please keep this letter safe as evidence of notification to the Joint Research Compliance Office, Academic Health Science Centre, Imperial College Healthcare NHS Trust.

Yours sincerely

Ms Ruth Nicholson
Head of Research Governance and Integrity
