

# The IPF Job Exposures Study (IPFJES)

## IPFJES

- ▶ Are job exposures an underrecognized cause of IPF?
- ▶ A blood test and a short (30 minutes) telephone interview with an expert can help us to find out

## Who can take part?

- ▶ **Males**
- ▶ **New diagnosis of IPF since Feb 2017**
- ▶ **Never worked abroad (except for armed services or merchant navy)**

Further details are available at  
[www.ipfjes.org](http://www.ipfjes.org)

To find out more about taking part ask your nurse or doctor today!
